

Monthly Report

DISPATCHES

October 31, 2007

HIGHLIGHTS:

Thanks to Jim Laughlin for the \$200 donation to the museum. Jim is the only person I know of that has worked for the Fayette County Police, Lexington City Police, Fayette County Jail and the Lexington Fire Department. We have photos of him in uniform for each agency at the museum.

As the Holidays are approaching, it has still been a busy time for the museum. We had over 150 visitors for the month of October, including 32 from the KORE Academy and a large number that visited the World Trade Center Exhibit in Cheapside Park.

ROLL CALL:

The next meeting for board members and interested parties will be Tuesday, November 13th at 7:00 pm. We have gone back to the regular 2nd Tuesday of the month meetings.

SPECIAL NOTES:

Thanks to Bob Starkweather for the loan of two old 1920's era Ohio badges to the museum. We usually only take items that have a Lexington-Fayette County connection but we will make use of these nice old badges as they are already on display.

We now have the "Heart of the Bluegrass" exhibit sponsored by Malick's Photography on one side of the wall in the 1800's room. The exhibit features old public safety related photos from the collection of John Malick and Lafayette Studio. We will soon offer photos from Malick's Art Studio and Lafayette Studio for sale.

OTHER NOTES:

Note the Volunteer Calendar on the new and improved website. You can see who is volunteering on a particular day and see what spots need to be filled.

The collage of the last day of the existence of the Fayette County Police is at the Framers. We should have it on display in the next week or two.

Robert Terry will be setting up a static display at the Police Awards Banquet on Friday November 2nd.

Our condolences to Member Mark Kessinger on the death of his father, Board Member Steve Ferrell on the death of his sister in law and the family of Scott and Mary Ellen Blakely on the death of Mary Ellen's mother, Elizabeth Adams. She was the widow of former Fayette County Police Officer Clarence Adams.

Thanks to all our volunteers who have staffed the museum. A schedule is being worked on for November 2007. Volunteers are asked to give us one day a month = 4 hours. Please contact me if you are interested in volunteering. You can Email me at dhume@lfucg.com.

MERCHANDISE:

Personalized Coffee Mug/Glass Stein orders are starting to pick up for the holiday season. We have the ability to make personalized coffee mugs/steins for the Urban County Government, Police Department, Fire Department, Community Corrections and E.R.U. The cost is \$15 for the coffee mugs and \$18 for the steins and the turnaround time is usually less than 10 days. Feel free to email me with your order. The mugs come in Blue or Black with a gold or silver badge or city seal. Name, rank and badge number can be placed on the mugs/steins. Mugs with colors such as red, green, yellow, maroon, pink, and others are also available.

Our most recent badge pin was for Community Corrections. There are now seven badge pins that have been created. They are Fayette County Police circa 1960's, Fayette County Police circa 1950's, Lexington City Police circa 1973, current Lexington-Fayette Urban County Police, current Lexington Fire Department and the current University of KY Police badge pin. The UK pin is sold. The badge pins are \$5 each. We have a Public Safety set for \$15 and it comes in a free display case. It features the current Police, Fire and Corrections badge pins.

We are taking orders on crystal blocks with the badge image in 3D. These blocks can be personalized with your name and badge number. Cost is \$20 for the crystal block and for an additional \$10; you can order a lighted base in all white or multi-colored lights. We also have crystal blocks with the 3D image of the police cruiser in it. We have these in stock and they are also \$20 each.

The Diecast Gearbox 2003 Police cruisers are sold out. We still have plenty of the 1997 Road Champs at \$12 each.

We had another very limited supply of the 1/25 scale custom-built Lexington Police cruisers in a clear plastic display cases. The cost was \$30 and they sold out in a matter of days. Keith Stevens of the Sheriff's Dept made them and we hope to have more in the future.

A Lexington Police pewter badge money clip is also in the design stage and we hope to be selling them for \$10 each. We are also looking at funding a generic Lexington Police challenge coin made by Symbol Arts, who made the other special unit challenge coins. Pike Spraggins has designed the challenge coin and we should see the artwork this month.

ABOUT US:

The Lexington Public Safety Museum is located in the Lexington History Center on the first floor. The Lexington History Center is also known as the old courthouse. The KY Renaissance Pharmacy Museum and the Isaac Hathaway African American Museum are also on the first floor. The Lexington History Museum occupies the second and third floor. The Public Safety Museum is open on Friday, Saturday, Sunday and Monday. The hours are 12 noon until 4 pm. There is no charge for admission. We are closed Tuesday, Wednesday & Thursday, but will open by appointment or during special events by request.

At this time, the museum is divided into five rooms. They are based on a timeline. The first room exhibits items/photos from the 1800's to the 1930's. It adjoins the "Fallen Heroes" room, which honors all Public Safety Officers who have died in the line of duty. Down the hallway are three more rooms. The first and second room exhibits items from the 1940's-1950's and the third room is from the 1960's-1970's. Our first exhibit has been on Public Safety Buildings past and present. We have tried to put an emphasis on the different buildings that Public Safety has occupied over the years. This includes showing photos of old Police Departments, Jails and Fire Stations. We are also increasing our photo collection to include vehicles and people. In addition, the museum has other items of interest such as old badges, patches, uniforms, jail keys, photos, fire and police equipment and other memorabilia.

The museum has gift shop type items for sale as part of the fundraising efforts. These items include die cast police cars, badge pins, coffee mugs, drinking glasses, books, throws or blankets and other items of interest. Polo type shirts are on sale at the museum. Merchandising has accounted for more than half of our revenue. The other half of the revenue has come from donations and memberships.

We have several types of memberships depending on the amount of money donated. The types of memberships are student, individual, family, silver shield and gold shield. Forty-eight members have dues paid up until the end of 2007 and several members have renewed through 2008. We will be sending letters out for renewal in the month of November. Our members' names are always on display at the entrance to the museum.

David Hume
President, LPSM
